Vinification
EA rose is a blend of Grenache, Touriga Nacional and Syrah
planted in the Fundação Eugénio de Almeida vineyards.
When the grapes reach the right point of maturation they are
carefully picked and brought to the winery.
Following the harvest the grapes are de-stalked, lightly
crushed and undergo a short period of maceration, pressing
and clarification of the must. Fermentation is at 16ºC in
stainless steel vats and thereafter the wine is filtered and
stabilized ready for drinking.

Service Temperature
8ºC to 10ºC
