## FORAL DÉVORA

DOC Alentejo – Évora  
White 2021

These wines are based on the traditional nature of winemaking in the Évora region. Records show that a Foral (royal decree) was bestowed on the city by King Manuel I in 1501. The Cartuxa winery has combined ancient practices with today's know how to create this unique wine: evocative of wines made in Évora for time immemorial. It was first produced in 2000.
